## Introduction

**G**reenway Women's Group has been providing services to women and their families within Cregagh and the wider community since 1985.

Greenway Women's Group exists to provide women and their families with positive opportunities for development by breaking down barriers which prevent women's full participation in society.

Greenway Women's Group provides a wide range of educational and support services to local marginalised women, many of whom are lone parents often neglected by traditional educational and other statutory provision.

**Greenway Women's Centre operates in Cregagh Estate in East Belfast. The area is ranked 241 of 890 (27%) on the NI Multiple Deprivation Measure 2017 (NINIS, 2019). Whilst this does not fall within the top 25% as in previous years, we are not restricted by postcode and offer our services to anyone who wishes to access them and the area in itself is surrounded by pockets of deprivation. (NINIS, 2019)**

The Centre is located at 19-23 Greenway, just off the Cregagh Road, Belfast BT6 0DT

## Cregagh Estate - Belfast

### **Background**

Within an area of major social and economic deprivation, the needs of the local community include provisions for education, training, childcare, advice, developing confidence and addressing issues of health and the environment.

Many local women are lone parents who are unable to afford childcare costs whilst training or developing their skills and so remain in the 'benefit trap'. The Targeting Social Need anti-poverty strategy recognises that the bottom 30% of income distribution is overrepresented by high-risk vulnerable groups, one of which is lone parents, 92% of which are women. The most recent TSN also highlights the connection between inequalities associated with gender and child poverty, as 95% of parents in receipt of key benefits are women.

### **Greenway Women's Centre's services include:**

- Childcare (Sessional Childcare for children aged between 0-4 years)
- Essential Skills Support (Numeracy, IT & Literacy via BMC classes)
- Cross Community Workshops
- Health and Well Being Courses and Information Days
- Family Support Services (via Belfast Health & Social Care Trust)
- Volunteering Opportunities
- Older Women's Group (Recycled Teenagers)
- Women's Empowerment Project (Halifax Foundation for Northern Ireland: Community Grants Programme)
- Women Breaking Barriers (WRDA)
- Peer led Arts & Crafts project (A Little Bit Crafty)

## **Our Mission Statement**

Greenway Women's Group exists to provide positive opportunities for women to achieve their potential, through recognising and respecting them as individuals. We achieve this by breaking down barriers which prevent women's full participation in society; specifically targeting social need within Cregagh and surrounding areas.

## **Greenway Women's Group**

Greenway Women's Group are the Board of Directors of Greenway Women's Centre.

Greenway Women's Group was formed in 1985, and the Group formed a Company Limited by Guarantee with Charitable status in 2000 (Registered Charity Number: XR34419). We were also successful in securing charity status in Northern Ireland (Northern Ireland Charity No. NI C100610). The Board of Directors of Greenway Women's Group are all women from the local community and surrounding areas who volunteer their time, energy and commitment to providing vital services.

Not only do they provide support for volunteers and staff members, but they also represent the group on various committees and external boards.

External Board Representation includes:

EBCDA (East Belfast Community Development Agency)

NI Housing Executive

WSN (Women's Support Network)

WRC (Women's Regional Consortium)

## **Chairperson's Statement**

### **Liz Oslon - Chairperson**

As we entered our 40th year of operation we continued into funding uncertainty, general difficulties and stretched resources and this year, in the aftermath of a global pandemic, the impact to the economy from the cost-of-living crisis which has seen the need for one-to-one services quadruple. In times of difficulty women tend to do what they always do – try to make do.

Our determination to continue has not weakened in the face of continued demand for our services. We continue to look at more innovative approaches. Unfortunately, as it has been over the last few years, this year more than any before does not bode well. Despite more varied usage of our Training rooms, Childcare rooms and our IT Suite, changes forecast via our main funders and the anticipation of further cuts leave us with an uncertain future.

A very challenging year, but a successful one. We successfully secured funding such as the Pathway Fund in early 2025. This will be a great benefit to the Centre's Childcare Department in going forward into 25/26.

We have noted a continuation of the huge surge in requests for one-to-one support which began after the pandemic and subsequently from the cost-of-living crisis. In addition, austerity issues have come to the forefront of problems that families are facing with many working families in need of support via food banks and assistance with the costs of gas and electric. The prices of fuel, electric and food have become in some cases completely all-consuming for women, as many were faced from as early as 2022 with the 'heat or eat' dilemma within their own households. It was an extremely difficult winter for many of the women using our services. Many faced a very bleak Christmas with little money for gifts for their children and family or no heating during the colder months. Pre pandemic we averaged around 200 one-to-ones per year but our records for 24/25 indicate we completed just over 600.

Greenway Women's Centre supported women by the provision of food parcels, toy parcels at Christmas and referrals to other community-based organisations for support for a wide range of other issues.

I would like to extend my personal thanks to the Childcare and Family Support teams who even in these uncertain times continued to work to ensure that the most vulnerable of our women were being cared for. The Family Support team have worked tirelessly to ensure that all our women who are accessing essential services are being cared for and that their needs are met, both in the terms of physical and mental health and also in terms of poverty and austerity.

The Childcare Department is one of the largest and most challenging departments that the Centre has and the Childcare team have worked relentlessly to ensure that high standards of practices and care are provided to all the children and their families. This is particularly notable considering what a difficult year it has been and the uncertainty of secure funding for 25/26, so for this I give my heartfelt thanks to the team's commitment to their department and the organisation as a whole.

The volunteers continue to support us regardless. Many have been accessing the Centre for years and want to give back. Their support and contribution are priceless, and they play a crucial role in our survival. Over the years they continue to be more involved in the development of the Centre, by way of various focus groups and sub committees. This year the establishment of a volunteer led Art Project has been one of the great successes of the year. I give my personal thanks to these volunteers who recognised a gap in the service and endeavoured to ensure that this was filled in order for the Centre to provide a well-rounded programme. This year once again I must recognise the contribution of our media support volunteer. Her commitment and contribution to the organisation after many years of volunteering continues to be a vital part of the service delivery. Her efforts have ensured that the centre has a presence online, helps us to remain relevant and ensures that our services are widely advertised. For all her hard work this year I would like to take this opportunity to offer my personal thanks for her fantastic efforts and also commend her on behalf of my fellow directors.

On behalf of the Board, I would like to take this opportunity to thank those funders who have had the insight to support the work we do, despite an uncertain future and continued funding cuts. In particular those funders who have recognised the devastating impact the cost-of-living crisis has had on the operation of the Centre and its services. They have adapted and supported us to ensure that we continue to deliver essential services to support and develop our local community.

To our staff team, who despite ongoing uncertainty about their future have continued providing the high standards we have come to expect and who have gone above and beyond their remit to ensure that Greenway is successful and thriving, I personally thank you for going above and beyond in these difficult circumstances. The commitment and drive of our staff team is what keeps us going on a daily basis and in this time of uncertainty and crisis they have demonstrated an amazing and resilient attitude to the development and continuation of the Women's Centre ethos and services.

My fellow directors devote as much time as they can to this organisation and face every difficulty. To those board members who continue to give up their free time and are committed to the success of the Centre, my personal thanks. We are united in our determination to continue the work and ethos of Greenway Women's Group.

## Centre Manager's Statement

### **Lindsay Cooper - Centre Manager**

This report encapsulates the work that the organisation has carried out for the years 2024/2025. Our primary objective this year, as it has been every year, is to focus on sustaining our high levels of service delivery and ensure that all contracted outcomes continued to be met and we feel that the staff & Board members have rallied in partnership with the volunteers to ensure that the quality of service is of an equally high level as was the case in previous years.

At this stage we are uncertain of the continued funding of the WCCF (Women's Centres Childcare Fund) and the CIF (Community Investment Fund). These are the two core pieces of funding that we could simply not survive without. The low staff turnover and continued support of our Board of Directors, funders, members and volunteers has supported us through this time of uncertainty.

After a difficult few years, we managed to open an additional Childcare room in the adjacent building. We also extended the Childcare opening hours to try and accommodate working parents. We envision that the extension to the service would mean we can effectively meet the unmet need of the local community. We have continued to face significant challenges this year in getting the final room open. We have found recruitment for Childcare posts very challenging and have struggled to get posts filled in order to meet the demand. However, we have had success with the small expansion made thus far and aim to continue to grow.

Our Training & Education programme continues to evolve and expand based on the needs and gaps in services of our local community. At the end of this financial year however, we were fortunate enough to be awarded funding from the Halifax Foundation for Northern Ireland Community Grants Programme which now funds the Women's Empowerment Project salary and in addition we are fortunate to also have the Women Breaking Barriers Project funded via Women's Resource and Development Agency (WRDA). We aim to continue to deliver good quality accredited and non-accredited training, information workshops, focus groups and health events. We expect that the next few months will be challenging with the current funding climate, but the board, staff and volunteers are committed to ensuring that the service delivery will continue to be of a high quality and meet the needs by addressing the gaps in education and social disadvantage.

The Family Support service continued to grow in demand over this past year. The organisation noted the alarming high number of referrals made to outside agencies via the Family Support team and many of these were as a result of the poor recovery after the pandemic and the cost-of-living crisis which has thrown many families into crisis. A well-attended Family Support summer scheme ran in August 2024 which included day trips and fun activities. This event has been running for several years and has always been a great success in bringing families together.

However, I am pleased to say that the commitment and hard work of our Board, staff and volunteers has ensured that whilst we had to adapt, we continued on providing those essential services to the women and families who need it most.

We are now entering into another year of uncertainty for 2025/2026. The organisation is committed to ensuring that the most deprived families in our community have access to the wide range of support and services we can provide.

## Greenway Women's Group Board of Directors

Liz Oslon	Chairperson (Volunteer Support)
Julianne Thompson	Treasurer (Volunteer Coordinator)
Yvonne Summerville	Director (Volunteer Representative)
Stephanie Waite	Director (Women's Empowerment)
Karen McCullough	Company Secretary (Peer Mentorship)

The Board of Directors work in partnership with many other women's groups and organisations throughout Northern Ireland in the community, voluntary, statutory, public and private sectors to develop services for local women in the areas of childcare, health, employment, housing and finance.

The work of Greenway Women's Group is based upon the principles of Community Development and Active Participation, as well as Community and Individual Capacity Building, involving local women in identifying and responding to local needs in an active and responsible manner within the limits of available funding.

Greenway Women's Centre offers a wide range of educational and support services to local marginalised women, many of whom are lone parents, often neglected by traditional educational provision. Cregagh falls within the top 10% of the most deprived Super Output Areas in Northern Ireland in the Education, Skills and Training Domain.

Through its education and training programmes, Greenway Women's Centre provides opportunities for women to gain vital skills and qualifications, thereby increasing the prospects available to them for meaningful employment and breaking down barriers which prevent their full participation in society.

## Greenway Childcare Services

Greenway values the developmental potential of all children, regardless of their background or abilities. We provide high quality, affordable childcare services, including intervention by way of respite care and parent/carer support sessions.

Greenway's Childcare services have been successfully supporting children and their parents/carers for almost forty years and during this time we have watched hundreds of children grow and develop. Currently, we provide Sessional Day Care for pre-school children, from birth up until their fourth birthday.

We endeavour to work in partnership with parents to provide care and education that unites us in giving children the best possible start in life.

Our aim is to cover the six areas of learning with each child who attends, while encouraging parents to do what they can at home to further enhance, promote and develop these areas:

- Communication, Language and Literacy
- Physical Development
- Creative Development
- Knowledge and Understanding of the World
- Reasoning, Problem Solving and Numeracy
- Personal, Social and Emotional Development

At Greenway Women's Centre we promote inclusion for all and work with a range of agencies to integrate children with additional needs.

The Greenway Childcare staff members are highly qualified and understand how important it is for parents/ carers of young children not to miss out on any part of their child's development. The Childcare staff members provide each child aged from one up until their fourth birthday with their own individual art folder, including photos through which parents/carers can see the development of their child from month to month. For babies under a year old a photo album is collated throughout the year. We are extremely fortunate to have equipment and software which allows parents to log in at home and view a detailed profile of observations of their child using the Tapestry software. The software allows us to engage more effectively with parents and gives them a platform for feedback and general comments. This software has been essential as it gives us an excellent route in which to communicate with the parents, in a safe and secure manner.

Every year in June we hold our annual Celebration Day, when all parents, carers, grannies, granddads, aunts, uncles, friends and family are invited to see their child receive their folder, certificate and a gift followed by a buffet lunch and entertainment especially for the children and their families, however this year as a special treat we visited Belfast Zoo instead. Feedback from this trip was extremely positive and allows staff and parents to get to know each other on a more informal level. We hosted a fun packed day in December for our Santa's Grotto event with a Bouncy Castle, Snow Globe, Santa's Grotto and other fun activities for the children. The event was very well attended by extended family members, and a good time was had by all - which included a magical visit with Santa himself!

*It has been said that it takes a village to raise a child - we believe that the village should also celebrate the child's achievements and share in play and social interaction with the children.*

## **Greenway Women's Centre Family Support Services**

Greenway believes in a holistic approach to everything that they provide by way of services and Family Support is no different. Our aim is to support those in need and provide pathways in order to integrate them to all of the Centre's activities and provide an opportunity to move on with their lives. Family Support is funded via WSN through the Belfast Health & Social Care Trust.

Greenway's Family Support Services are available on a daily basis and include information and support regarding parenting issues, respite care, listening ear and referral to specialist support, e.g. Complementary/ Alternative Therapist, counselling and Advice and Advocacy.

Family Support activities include:

- One-to-One Advice
- Advocacy
- Sign Posting
- Outreach Support
- Personal Development
- Mentoring
- Counselling
- Family Support Summer Scheme

Family Support events, courses and activities are regularly highlighted on the Greenway Women's Centre Website.

Individuals are encouraged to integrate with all Greenway activities and particularly our main training programme.

## Education and Training at Greenway

Greenway Women's Centre is a first step back into education and training for many women and the Centre has a successful record in delivering Training and Education programmes.

Greenway provides an integrated range of support services to participants on self-development programmes and certificated training on health, education, volunteering and employment, as well as one-to-one study support and on-site childcare services.

Greenway Women's Centre offers:

- an informal and supportive learning environment for women
- flexible education and training courses that take account of women's domestic, family and work responsibilities
- on-site Sessional Day Care provision
- accessible, affordable, high-quality education and training services
- volunteering and work placement opportunities
- space/support for external groups

Greenway is an outreach centre for Belfast Metropolitan College (BMC) and has built partnerships with local training providers, including BMC, DEL, Bryson Future Skills, East Belfast Mission and Peoples First, as well as local business and enterprise agencies.

## Essential Skills Programme

Essential Skills qualifications are for anyone over the age of 16 in Northern Ireland who wants to improve their literacy, numeracy or ICT skills to help get a job or get on in life. An Essential Skills qualification can help improve reading, writing, maths or computer proficiency to promote employability across a whole range of different jobs.

Greenway Women's Centre offers OCR Basic Skills Awards in Literacy, Numeracy and ICT at Basic, Level 1 and Level 2 and offers progression routes to the participants within the Centre and with other learning providers.

Greenway's Essential Skills operate on two levels; group sessions, where participants complete the OCR qualification, and one-to-one sessions for individuals who require additional support.

Greenway's objectives are to target adult learners who have Essential Skills needs and to provide training that will enhance personal development as well as career and educational progression.

With major cuts to community-based education which have taken place over the last three years, Greenway Women's Group has sought to host essential skills-based training as well as other accredited training via external organisations such as East Belfast Mission and Belfast Metropolitan College.

## The Greenway Volunteer Programme

The contribution of volunteers has been invaluable to Greenway Women's Centre since its inception in 1985 and without it we would not be able to exist. The organisation was originally formed by volunteers and is managed by a voluntary Board of Directors. Over the years volunteers have continued to play an integral role in the delivery and development of Greenway's services.

Although in the past we have been able to access bursary monies for volunteers who wished to access training, the volunteer programme at Greenway is currently without funding, however we are still able to offer some benefits to our volunteers:

- Free role-based training is available to enable volunteers to learn the skills necessary for their chosen role
- Role-based references are provided for all volunteers following the completion of a 4-week probationary period
- Volunteers with children under the age of four have access to free childcare (subject to availability), enabling them to participate in their chosen role
- Free tea/coffee is provided to volunteers during breaks from their role, courtesy of the Coffee Bar
- Regular brunch meetings are held at Greenway, which provide an opportunity for the volunteers to get together as a group in a relaxed and friendly atmosphere to catch up, discuss their roles and decide on training or events they would like to take part in, circumstances permitting
- Opportunities to engage in focus groups and external visits are offered to volunteers whenever possible

The dedication and generosity of volunteers is an inspiration. The Board of Directors at Greenway fully appreciate the vital work that volunteers carry out within the Centre and, in light of this, a Celebration Day is held in June each year in recognition of their outstanding contribution to the Centre.

## Volunteering Opportunities at Greenway Women's Centre

Volunteers play a pivotal role in Greenway Women's Centre's ability to provide its services to women and their families in the local community.

### Coffee Bar

The Coffee Bar is Greenway's main volunteer project, managed and operated entirely by volunteers. The Coffee Bar provides tea, coffee and snacks for Centre users, staff and visitors, all at very low cost. Coffee Bar volunteers also prepare and serve food at all social events which take place within Greenway Women's Centre.

### Childcare

Greenway Women's Centre operates a Sessional Day Care facility for children under the age of four. Volunteers working within the Childcare Department assist staff in delivering play and child development activities, preparing snacks, supervising break and lunch times and tidying up at the end of each session. All those volunteering in the Childcare Department are fully vetted through Access NI and Health & Social Services before commencing their role.

### Reception

Reception is the first point of contact for all those entering Greenway Women's Centre. Those volunteering at reception greet visitors entering the building and answer incoming telephone calls, taking messages if required. Full training on operating the telephone system is provided prior to commencing this role.

### Monthly Newsletter, Website & Facebook

Greenway Women's Centre publishes a monthly newsletter, which is contributed to by Board members, staff, volunteers and other Centre users. The Newsletter is written and produced by our volunteer editor and contains up to date information on classes and events being held in the Centre. Along with printed copies which are available within the Centre and an electronic mailing list with approximately 150 recipients, the newsletter is also available to download from the Greenway Women's Centre website.

## The Greenway Website

[www.greenwaywomenscentre.org](http://www.greenwaywomenscentre.org)

The Greenway Women's Centre website was officially launched in October 2011. This has proved to be an excellent way to highlight the services on offer within the Centre, from Childcare and Education to Volunteering and Events.

As well as providing details of Greenway services, the Greenway website also includes information on partner organisations and funding bodies. In June 2020 we moved to a new website host provider which enabled us to reduce costs and streamline our site, while still retaining our service brand domain name.

The website is maintained and regularly updated by a Greenway volunteer.

## Other volunteering opportunities:

- Cleaner
- Maintenance/DIY
- Classroom Assistance
- Peer Support/Senior Mentors

The Volunteer Programme at Greenway is an excellent way for women to meet new people, build confidence and self-esteem and develop new skills. In return for their time and commitment, volunteers receive support, encouragement, free role-based training and, where applicable, a work-based reference.

## Benefits of Volunteering

- *Taking on a challenge:* Getting involved in something new can be a real challenge. Volunteering can help women achieve personal goals, develop new skills and practice their talents. Sometimes a volunteer experience can lead women to something they never even thought about or help them to discover a hobby or interest they were unaware of.
- *Being part of the community:* Volunteering can help build stronger communities and improve services and resources in the local area.
- *Meeting new people:* Getting involved as a volunteer provides women with the opportunity to meet lots of different kinds of people and make new friends.
- *Gaining a sense of wellbeing:* Research demonstrates that volunteering can lead to better health (Health Benefits of Volunteering; A review of recent research, Washington DC 2007).
- *Increasing Personal Development:* When thinking about career development, getting a job or returning to work, the experience gained as a volunteer can be very valuable.
- *Having fun:* Volunteering is an excellent leisure activity. Most volunteers get great enjoyment from what they do - that's why they keep on doing it. Finding new interests and hobbies can be fun, relaxing and energising.

Volunteering is a two-way process; volunteers will have their own personal motivations and reasons for getting involved and as a good volunteer organisation, Greenway asks volunteers about those motivations and endeavours to meet their needs as well as the needs of the organisation.

## Quotes from Greenway Volunteers:

*"I have made some amazing friends" (Greenway Volunteer)*

*"I leave feeling more positive" (Greenway Volunteer)*

*"I have been volunteering at greenway for a few years, and I have to say all the people I have met has been a positive impact in my life and it has helped me build my confidence" (Greenway Volunteer Receptionist)*

*"Giving back to the community helps me more than it helps everyone else" (Greenway Volunteer)*

*"I feel I am giving back to our community through volunteering with Greenway" (Greenway Volunteer)*

## External & Self-Help Groups at Greenway

Greenway provides space, room hire and facilities for groups which meet at the Centre on a regular basis, including:

- Older Women's Group (50+) – Recycled Teenagers
- Art Project – A Little Bit Crafty

## Greenway Older Women's Group – Recycled Teenagers

Greenway Older Women's Group or "Recycled Teenagers" is a group established in 2015, which accesses space three times per week within the Centre.

## Shared Space at Greenway Women's Centre

While the primary function of Greenway Women's Group is to break down the barriers which prevent the full participation of women in today's society for whatever reason, particularly targeting those who are socially isolated, another of our functions is to encourage the development of and whenever possible provide space for, a wide range of supportive groups and organisations.

Over the years Greenway Women's Group has built up strong working relationship with many such groups and organisations.

This demonstrates how groups and organisations with differing ideologies can work together to sustain a shared space in order to provide support and guidance to those in need, through mutual respect and cooperation.

Due to the nature of our work all external groups are vetted and must carry their own insurance.
